As a condition of receipt of federal funds, Monroe County is required to have in place a formal policy of nondiscrimination in the delivery of all programs and activities receiving federal financial assistance, to assure compliance with Title VI of the Civil Rights Act of 1964.

(2) **Purpose:** To comply and carry out responsibilities under Title VI of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973 (Section 504); the Americans with Disabilities Act of 1990; and related federal and state laws and regulations which forbid discrimination.

(4) **Instructions:**

Enclosure (1) is to be utilized for those alleging discrimination, which includes exclusion of participation or denial of benefits on the basis of race, color, national origin, sex, age, disability, religion, income, sexual orientation, or family status.

(5) **Action:** This Grievance Procedure is established to meet one of the requirements of Title VI of the Civil Rights Act of 1964. It may be used by anyone who wishes to file a complaint alleging exclusion of participation or denial of benefits on the basis of race, color, national origin, sex, age, disability, religion, income, sexual orientation, or family status, regarding a program run by Monroe County that has received federal financial assistance, in the form of a contract, grant or loan.
If possible, the complaint should be submitted in writing and contain the identity of the complainant; the County program receiving federal financial assistance; the basis for the allegations (i.e., race, color, national origin, sex, religion, age, disability, sexual orientation, or family status); and a description of the alleged discrimination with the date of occurrence. If the complaint cannot be submitted in writing, the complainant should contact the Title VI/Nondiscrimination Coordinator for assistance.

The County’s Title VI Coordinator has ‘easy access’ to the County Administrator and is not required to obtain management or other approval to discuss discrimination issues with the County Administrator. However, should the complainant be unable or unwilling to complain to the County, or if the complainant is dissatisfied with the County’s handling of the complaint, the written complaint may be submitted directly to the United States Department of Justice at the address written below. Limited English Proficiency (LEP) Guidance:

Title VI of the Civil Rights Act of 1964, Executive Order 13166, and various directives from the US Department of Justice (DOJ) and US Department of Transportation (DOT) require federal aid recipients to take reasonable steps to ensure meaningful access to programs, services and activities by those who do not speak English proficiently.

The County has determined that contact with members of the community who are LEP and therefore the level of LEP services required varies greatly by department. Currently, the County offers the following services. If a member of the public who is LEP approaches you and asks for language assistance, the following options are available at no charge:

- Most departments have at least one person who is bilingual Spanish-English speaking, who is available to translate if necessary.
- The County is in the process of distributing “I Speak” cards to employees. If a member of the public approaches who needs language assistance, and the employee does not speak that language, the card should be shown to the member of the public. Once the person identifies what language they speak, the employee can then place a call to a company providing real-time translation.
- Mr. Alex Diaz is available as a Spanish-English translator, for in person or over the telephone translations. Contact Alana Thurston, (305) 292-4461 for Mr. Diaz’s contact information.
- The County is in the process of compiling a list of companies that provide real-time translation in Spanish and other languages. For more information or to obtain a copy of the list, contact Alana Thurston, (305) 292-4461.
- When a department’s statistics indicate that it regularly interfaces with a population in which more than 5% of the population primarily speaks a language other than English, the department will take the responsibility for ensuring that key documents will be posted on the department’s webpage in other languages.
The County’s Title VI/Nondiscrimination Coordinator will examine its LEP plan at least annually to ensure that it remains reflective of the community’s needs.

Persons requiring other special language services should contact the County’s Title VI/Nondiscrimination Officer:

These certifications termed ‘assurance’s’. The public may view the current Title VI/Nondiscrimination Assurance document on the County’s website in English and Spanish, or by visiting the County’s offices, or by contacting the Title VI/Nondiscrimination Coordinator and requesting a copy.
